

Hello, Pre-K Families!! Here is a little information about the NC Pre-K and Title 1 Pre-kindergarten Programs

There are two steps to the Pre-K application process:

STEP 1: Complete and turn in application.

Fill in front and back of child's application for Pre-K, along with submitting the required documents: certified birth certificate and signed shot record, two proofs of residence (power, gas, water, cable, landline telephone, lease, or mortgage,) and verification of income, preferably tax records from current job. If you are working a new job, we will need two pay stubs for all parents/step-parents living in the home of the Pre-K child. Please mail or drop off your child's application to this address:

**The Partnership for Children of Lincoln & Gaston Counties
120 Roechling Street
Dallas, NC 28034
ATTN: Chrystal Hoyle**

STEP 2: Bring your child to Pre-K Screening.

Every child who registers for Pre-K must be screened. The process will include asking your child some questions and looking at some pictures together: a free dental screening will be provided. Once screening is complete, we will look at each child's information for placement. Although every effort is made to place all children, some children who apply may have to be placed on our waiting list.

It is very important that your child comes for the screening during the screening days. Children who aren't screened will not be considered for placement in the Pre-K program.

Screening Information:

**Lincoln County Schools Board of Education
353 N. Generals Boulevard
Lincolnton, NC 28092.**

May 21, 2018	8am-4pm
May 22, 2018	8am-7pm
May 23, 2018	8am-4pm
May 24, 2018	8am-7pm
