

Hello Pre-K Families!!

Here is a little information about our pre-kindergarten programs.

There are two steps to the pre-k application process:

STEP 1:

Please mail your child's application for pre-k, along with all 5 required documents – (1) certified birth certificate, (2) shot record, (3&4) two proofs of residence (power, gas, water, cable, landline telephone, lease, or mortgage,) and (5) verification of income for all parents/step-parents living in the home of the pre-k child (tax return):

STEP 2:

Bring your child to Pre-k Screening.

Every child who registers for pre-k will be screened. Once screening is complete, we will look at each child's information, offering placement in a pre-k classroom based on required eligibility factors. Not every child who applies is able to be placed. Your child may be placed on a waiting list.

It is very important that your child come for the screening during the screening days. Children who are not screened will not be considered for placement in the pre-k program.
